Smells Like Teen Spirit

Texti: Kurt Cobain

Lag: Kurt Cobain, Krist Novoselic og Dave Grohl

Load up on guns
Bring your friends
Its fun to lose
And to pretend
Shes overboard
Myself assured
I know I know
A dirty word

Hello (x 16)

With the lights out its less dangerous
Here we are now
Entertain us
I feel stupid and contagious
Here we are now
Entertain us
A mulatto
An albino
A mosquito
My libido
Yea

Im worse at what I do best
And for this gift I feel blessed
Our little group has always been
And always will until the end

Hello (x 16)

With the lights out its less dangerous
Here we are now
Entertain us
I feel stupid and contagious
Here we are now
Entertain us
A mulatto
An albino
A mosquito
My libido
Yea

And I forget
Just what it takes
And yet I guess it makes me smile
I found it hard
Its hard to find
Oh well, whatever, nevermind

Hello (x 16)

With the lights out its less dangerous
Here we are now
Entertain us
I feel stupid and contagious
Here we are now
Entertain us
A mulatto
An albino
A mosquito
My libido
Yea
